pH value (neat): 9.6

pH value (in use): 9.6

Relative density (20°C): 1.008 g/cm³

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; sds.diversey.com. Store in original closed containers away from extremes of temperature.

Only for professional users / specialists.

Product compatibility

Do not use on solvent-sensitive floorings e.g. asphalt. Do not use on water sensitive floors, e.g. unsealed wood and cork. Immediately remove any solution splashes from wooden/painted surfaces with a wet cloth. Keep from freezing. Test material compatibility on a small, inconspicuous place before use.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirements of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.

Available pack sizes

TASKI Jontec Deepstrip is available in 2x5L.
